- **Organizations based outside of the United States that do not intend to apply for U.S. Department of Defense (DoD) awards are no longer required to have a NATO Commercial and Government Entity (NCAGE) code to apply for non-DoD foreign assistance funding opportunities.** If an applicant organization is mid-registration and wishes to remove an NCAGE code from their SAM.gov registration, the applicant should submit a help desk ticket ("incident") with the Federal Service Desk (FSD) online at [www.fsd.gov](http://www.fsd.gov) using the following language: "I do not intend to seek financial assistance from the Department of Defense. I do not wish to obtain an NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated."

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.
